One of these delegates will probably be B. F. Dillingham. Yesterday the Fourth and Fifth districts situated on Oahu sent delegates to district conven-tions held in the Judiciary building. According to the text of the resolution adopted at the Republican mass meeting of May 2, these district conventions selected eighteen delegates each to represent them at the Territorial couvention. The Fourth district by a unanimous vote instructed its delegates to cast the vote of the district for Dil-lingham as one of the Territorial dele-

B. F. DILLINGHAM WHO BE SENT TO PHILADELPHIA

B. F. Dillingham, who will in all probability represent the Republicans of Hawaii at the Philadelphia convention on June 19, is now in New York. Those who know Dillingham intimately feel certain that he will willingly accept the honor, if it is conferred on him by the Territorial Convention. Clarence M. White, who has been an enthusiastic advocate of Dillingham's nomination, was glad at the action of the Fourth District delegates yesterday in avowing their intention of pushing Dillingham for the office.

"Even if Mr. Dillingham should be in San Francisco or should have arrived in Honolulu before he learns of his being made a delegate to Philadelphia," said Mr. White yesterday, "I am morally sure that he will turn around and go to the City of Brotherly Love. He is not the man to shirk responsibilities and is too conscious of the duty of the citizen not to receive such an appointment. He may now have left New York, but will be communicated with at once."

The convention then adjourned until o'clock. When it resumed then Frank Pahla reported that he had seen R. K. G.
